That Phey are asked for from the following THE WILMINGTON AND RALEIGH R. the General Government, with a view to States. mail facilities, should extend a fostering hand. That the new enterprize strongly appeals to the State pride of the citizens of North Carolina, presenting the simple question whether we shall remain as heretofore in commercial vassalage to Virginia, South Carolina, and New York, or whether uniting all our efforts we shall aid to build up in North Carolina a city worthy of the State.

In presenting the above resolutions, Mr. Toole took occasion to express at some length his views on the project to extend the Road so as to connect with the South Carolina Roads. He advocated the extension in an able and energetic manner, portraying in vivid language the immense benefits which must of necessity result to tober 1st, and a report was also made by this town and the State upon the complei'on of the work contemplated. Mr. Hines, of Raleigh, spoke to the same point with clearness and vigor. He forcibly urged the people of Wilmington to push onward the extension project with an unflinching determination, relying only on what they themselves can do to a chieve success. Both of these gentlemen evinced a hearty interest in the prosperity of Wilmington, as well as that of the State at large. The gratitude of our citizens is just,'v due to
